You will need to **notify me by email at least 4 weeks before** the date on which you'd like to take the exam. Choose your dates carefully. The sooner you let me know the better.

Before you select a date, please make sure that you have **completed and sent me all of the required class assignments except for the case studies and bodywork module** (if you are enrolled in AR210). You need to complete all of your classwork (class attendance and eclass activities) before you can sign up for a date; ask your instructor for the earliest possible date that you can take the exam.

Also, please **make sure that your enrollment status is active**; the active status for an aromatherapy student is 2 years from the day of your first class; the active status for a reflexology student is 1 year from the day of your first class. You will not be able to take any exams if your status is inactive. You may be able to ask for an extension of your Active Status.

For complete **Policy & Procedures about the Foundations Exam**, go to **BelArôme Learning On-line Classrooms**; you will see the documents in the Course Information Section.
